3. Be - fore, be - hind, a - round, they set their fierce ar - ray

5. There, in his book, I bear a more than conqueror's name:

I know them well, and thou - sands more: but God re - members none.
let but my ris - en Lord ap - pear: back - ward they go, and fall.
to fight, and force me from my ground a - long life's nar - row way.
march, in the tri - umph of his grace, right on - ward to my rest.
a sol - dier, son, and fel - low - heir, who fought and o - ver - came.

6. His be the Victor's name,
who fought the fight alone!
Triumphant saints no honor claim;
their conquest was his own.

7. By weakness and defeat
he won the meed and crown;
trod all his foes beneath his feet
by being trodden down!

8. He hell, in hell, laid low;
made sin, he sin o'erthrew;
bowed to the grave, and killed it so,
and Death, by dying, slew.

9. Bless, bless the Conqueror slain,
slain by divine decree,
who lived, who died, who lives again,
for thee, his church, for thee!
